Push & Save

Samsung's unique cost saving features offer you the lowest running cost solutions in its class.

Toner Save

Samsung's ASIC chip technology reduces toner usage by controlling the size of each printed dot making it ideal for printing drafts. Printouts in Toner Save mode are slightly lighter but with the same accuracy as in normal mode. Simply push the Toner Save button, save on printing costs and still get high quality printouts

Paper Save

Copy 2 pages onto 1 sheet of paper (2-up copy)

Power Save

Reduce power consumption when not in use by simply pressing the Power Save button.
